Re: July Quarterly Report (4/1/2012-6/30/2012)

Attn: Kaitlin Eger

Ms. Eger,

In response to your letter dated November 27, 2012, concerning contributions that we made to Wicker for Senate and Comite Pierlulisi that were designated for the 2012 Primary election but disbursed after the date of that election, I am writing to report that I have just mailed a letter to each of those campaigns requesting that they refund those contributions. When we receive the refunds, I will let you know by filing another FEC Form F99; and I will report the receipts in our next FEC Form 3X.

Robert A. Lowe, Treasurer
